## 2008 Outdoor Fleamarket Information

Thank you for your interest in being a vendor in the outdoor fleamarket at the 2008 Somerset County Hamfest. **The 2008 Hamfest will be held on Sunday, July 20, 2008, at the Somerset County Technology Center, 281 Technology Drive, Somerset, PA 15501.** This is the same facility we used last year.

The price for outdoor flea market spaces remains at \$5 per space again this year. Electricity availability in the outdoor area is EXTREMELY restricted due to weather concerns and space location. Please let us know your needs and we will try to accommodate you the best we can.

Flea market spaces will be assigned in the order in which applications are received starting nearest the main entry door. Preference will be given to repeat vendors. In order to assure that requests for space are honored, applications must be received no later than June 30, 2008. Applications will be accepted until the day of the show, but space and location are not guaranteed. These late applications, as well as any applications received without a SASE, will not receive a receipt in the mail, but rather at the show itself. To be considered, all applications must be received with the appropriate fee for spaces and tickets. Everyone age 12 and older must have an admission ticket. As always, we are not able to accommodate everyone's special requests, but we will attempt to work with you to address your needs. Please note any special requests on the registration form and submit it as soon as possible so that we have adequate time to address your issues. If you wish to be located adjacent to another vendor, we recommend submitting the requests at the same time noting your desire. Separate forms and checks can be used for this purpose. Any flea market spaces not reserved by the day of the show will be offered for sale that day on a first-come first served basis.

### Setup:

Grounds access for setup is available anytime. Please be advised that there is no security and no public restrooms available during non-operational hours. The Building will be open Saturday evening for inside vendor setup and will be locked up after inside vendor setup is complete. The Building will open at approximately 5 am the day of the show.

### Tear Down:

In order to provide a safe environment for all attendees, flea market vendors are asked to not leave until the show has closed to the public at noon. Prior to that time, vendors may leave as long as it does not interfere with other vendors or cause a safety hazard. Please be cautious of pedestrians around your vehicle while it is in motion.

### Rules:

Please remember that this is a family event held on school property, and we therefore forbid the display of, advertisement of, or sale of pornographic / adult goods and/or guns and ammo at our event. NO EXCEPTIONS! We reserve the right to, at the discretion of any hamfest committee member, immediately terminate this contract, without refund of space fees or entrance fees, with any persons or vendor(s) failing to comply with this requirement, with or without cause. Failure to comply may also result in vendors and / or individuals being barred from attending future SCARC events.

Enclosed is a reservation form for your use. Please mail the completed registration form to:

**SCARC**  
**Attn: Flea Market**  
**P.O. Box 1241**  
**Somerset, PA 15501**

All reservations must be accompanied by a SASE for returning a payment receipt and by your check or money order for the appropriate amount payable to the Somerset County Amateur Radio Club. Flea market space reservations are not considered complete until the check and SASE arrive in the hands of the hamfest committee.

Again, thank you for your interest in this year's show and we look forward to seeing you on July 20.

73's,  
The 2008 Hamfest Committee
